# Exciting News.....

## New Coaches

After a year of searching we are delighted to let you all know that we have secured the coaching services of Valerijs Savins and Alida Savina. They will be arriving with their three children on 1<sup>st</sup> October. We have managed to find them some temporary accommodation – but we thought we would help with a few other things too.....can you help?

1. We are going to put a few boxes by the main office with a list of basic grocery items. If you can help with anything on the list, please bring it along and cross it off the list. It's always nice to arrive in a new country and feel welcomed and looked after.
2. Do you have a loan car you can offer while they get sorted? If you can help with this, drop us a line.

## New Equipment

Thanks to the Western BOP Council you will see a new crash mat arrive in the gym soon.

We have also placed an order for the following equipment which is being sold after its use at the up and coming World Championships! It will be here sometime in term 4.

1. Parallel Bars
2. Balance Beam
3. High Bar
4. Two new rails for our uneven bars
5. Vault landing area
6. 2 new springboards
7. 4 new spotting blocks
8. 2 Crash mats
9. Yurchenko vault mat

# Xmas Present Ideas

We have a leotard that has been made specifically for our club! Check them out in the office as there are several sizes you can try on. Our first order will go in Friday 28<sup>th</sup> September. Orders will then be processed every fortnight after that. \$50 each.

Another Xmas present idea is a club backpack – this has the club logo and you can personalise with your child's name. These are \$35 each. Our first order will be placed Friday 28<sup>th</sup> September, so we can get them in time for Xmas.
